In Dedication To

Shelby R. Brooks

A true friend is an inspiration, as well as a comfort.

We cannot find sufficient words to express our sincere respect and admiration for this man.

He was a person we admired, loved, and greatly appreciated as our leader, our counselor, and our friend. He stood behind us through the stormy times as well as the fair.

He worked without ceasing for our educational improvement. He encouraged and guided us in all our undertakings.

He was never too busy to listen to the problems of a child and advise when advice was needed.

His kindness and his smile will always be a bright memory to all the children and teachers whom he worked for and with throughout his years of service.

We dedicate this annual, with feelings of sorrow over the loss of such a friend, mixed with feelings of pride and joy to have known this man, to Shelby Brooks—the ideal principal any faculty ever had.

May the road rise up to meet you
May the wind be always at
your back.
May the sun shine warm upon your
face.
And the rains fall soft upon your
fields.
And until we meet again may God
hold you in the hollow of His
Hand.

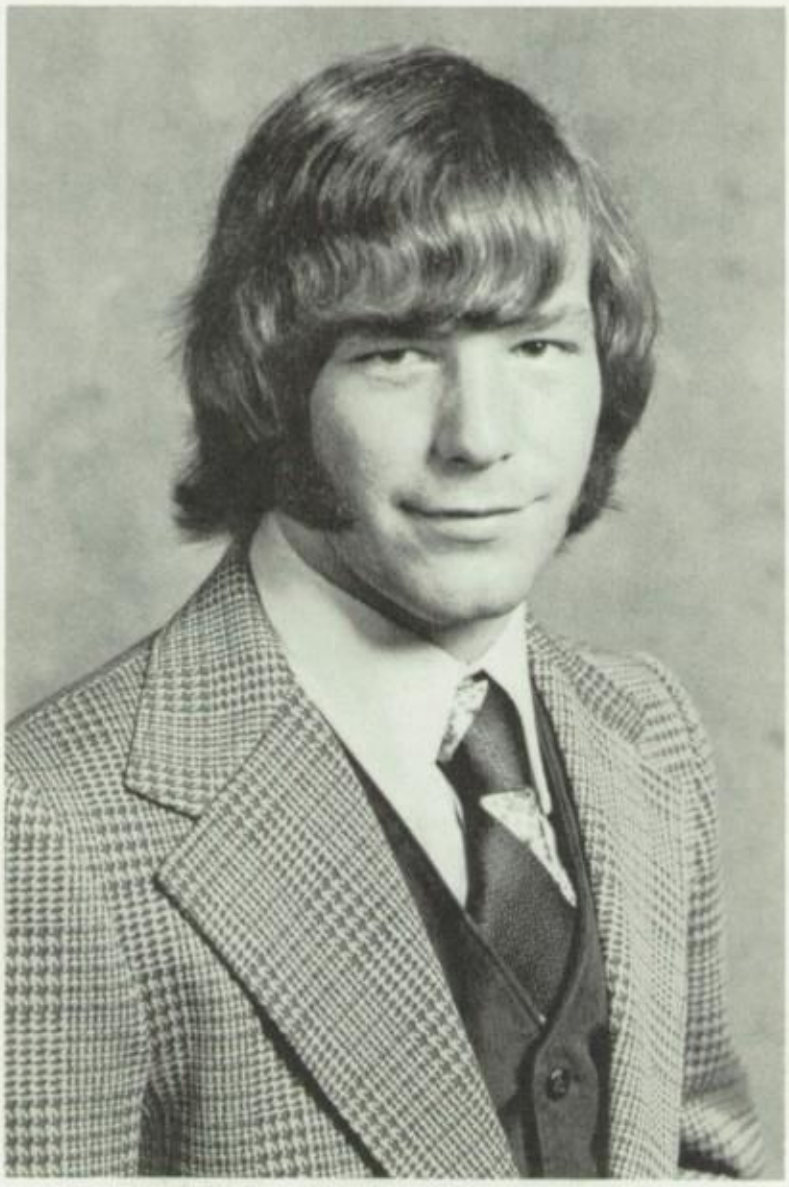
SPORTS DEDICATION



In Memory of Ray McKinney

Praise and accolades cannot express the feelings that inspired the true dedication and love that lived in the heart of this fine individual. His desire and willingness to succeed in whatever he attempted was only overshadowed by his leadership, hustle and all around team play.

Just by knowing a person of this caliber brings a feeling of love of one another, respect to a community and hope for the future. These characteristics are desired by all but only attained by a few. Ray McKinney achieved these goals and worked hard to hold on to these high standards.

We shall all miss him dearly. Yet, whenever the whistle blows and the game begins, I feel the spirit of his presence will be felt in all who play and those who wear the Black and Gold as proudly as Ray McKinney did.

I am so glad that you came to coach here at F.H.J. We surely needed a new coaching staff and we got a great one. This year was fun for me, especially when you got us out of class to practice. You with Driver's Ed stuff. I'll never forget that week when we all left school and went to the Burger Barn. Well, good luck next year coaching.

So a great person I really like alot. Wether you know it or not I still owe you a few cut- drivers Ed. Well I don't know if you ever hooked the parents and relatives gave you the fourth degree when called. But I was rooting for you all the way. If you ever want me to ask you to marry me again you will have to get your phone number put in the telephone book If you ever need anyone to tell your sad and very touching story to about your poor dog let me know. I'm still looking for you to buy that house trailer and move to quite, peaceful, and exciting Nebo. Remember we will always have an open pair of skies for you. Good luck in the future and with searching for a wife,

Love,
Angie Bradford

Coach Swenson,

It sure has been a blast this year all those basketball trips. You are one of the sorriest bus drivers I have ever seen in my life. Not really! I guess there is sorrier around here. I really bet this is a step-up from Georgetown High. I know there are so much more things to do here. (Ha) I think you are a really good coach and I hope you find everything in life that you want. Good Luck in the future!

Annual Staff

From BOTTOM TO TOP: Jennifer Justiss, Mary Ellard, April Chambers, Lisa Brady, Susan Ganey, Virginia Bradford, Buddy Powell, Charlene Boyd, and Field Long.

The book is finished and the year draws to a close. Ahead lies graduation, proms, summer vacation, summer jobs, and for many the plans and preparation for higher learning and a college education. The '76 GIANT TRIBE Staff has sought to build a book which would in a special way reflect Jena High School. As the halls grow dim and the classrooms quiet, we hope this book will bring back the memories of this year and hold this living school forever in your memory.

THE GIANT TRIBE STAFF

Coach Swenson,

It has been alot of fun getting to know you this year. You are the nicest coach up here. We've had alot of fun. I'll always remember the times you would get me out of class.

I hope you are still here nett year. Even if I'm not a cheerleader we can still have some good times. I know that I will regret not going out, but some things can't be helped. You'll have to get me out of some classes next year, too.

I hope we will always be friends. Good Luck in everything you do.

Love,
Terri

"Coach,"

I really don't know where to start except that you're one of the greatest people I've ever known! I don't know if you're happy here at this school, but I do know that you've been a great asset to it.

It really means a lot to me that we were able to get to know each other better. I'll always cherish our moments together because they were some of the best times of my life. You were really easy to talk to and get along with because you're such a mature person and I appreciate that. I also want to thank you for being so understanding. You're really a super-special person and I pray that your life will be blessed with happiness because you certainly deserve it! I hope that you won't even forget me and the friendship we had (and I hope always will). I know I won't forget you.

I'll always hold a place in my heart for you. Good luck and May God Bless you always.

Love,
Kathy
